

DERIVATIVES

The firm is an associate member of the International Swaps and Derivatives Association, Inc., and our lawyers routinely assist financial institutions and corporations in derivative transactions. Often, such transactions are part of structured financings, including securitizations and project and equipment finance transactions, which the firm is involved with. Specific representation includes:

- interest rate swaps
- caps and collars
- balance guaranteed swaps
- credit default swaps
- total return swaps
- commodity hedges

The lawyers practicing in this area have experience preparing, reviewing and negotiating ISDA and related transaction documents.
