

INTERNATIONAL

Internationally experienced, multilingual, culturally sensitive and attuned to emerging issues in the global marketplace, our International practice group attorneys help both domestic and foreign clients trade, acquire businesses, meet regulatory imperatives and finance ventures in the U.S. and abroad.

From cross-border mergers and acquisitions to personnel sourcing and immigration, from international trade to financing and dispute resolution, we bring our clients a full spectrum of sophisticated legal counsel.

With foreign language capabilities in French, German and Spanish, and deep understanding of the risks affecting international business, we strive to smooth our clients' global ventures—for foreign companies doing business in the U.S. or domestic companies in offshore transactions both through our experience in domestic law and relationships with local counsel throughout the world.

And, when client needs demand, we're backed by knowledgeable MVA colleagues with particular expertise—in Financial Services, Immigration, Taxation, Governmental Relations, Litigation, and more—to provide our clients seamless, full-service legal counsel.

Practice focus:

- Helping foreign companies locate and do business in the U.S.
- Immigration matters
- Advising domestic clients on foreign ventures
- Structuring business entities
- Cross-border mergers and acquisitions
- International regulatory counsel
- Governmental relations
- Financing
- Environmental counsel
- International business disputes
