

REAL ESTATE FINANCE

Moore & Van Allen has extensive experience in negotiating and documenting syndicated, club and single bank loans on behalf of numerous national and state banks, insurance companies and other lenders. Our involvement in these transactions covers a broad range of both secured and unsecured financing structures including construction and term loans, A&D loans, general real estate-based corporate financings such as revolving and term credit facilities, acquisition/leveraged finance loans, synthetic/leveraged lease transactions and conduit loans intended for securitization in states throughout the country. These transactions involve virtually every type of borrower and category of property. The firm also has expertise in mortgage servicing, whole loan trading, mortgage warehouse facilities, and repurchase facilities.

Set forth below is a representative summary of transactions of the firm's real estate finance practice. In each case the firm represented the lender or the agent:

- \$1.4 billion revolving and term loan credit facility to commercial developer based on a real property borrowing base.
- \$600 million revolving credit facility to hotel/entertainment developer for hotel construction financing and based on a real estate borrowing base.
- \$510 million revolving/term loan bridge credit facility to a REIT.
- \$49 million residential condominium construction financing with mezzanine facility to private developer.
- \$200 million "silo restructuring" involving multiple entities and related credit facilities for commercial developer.
- Over sixty loans of \$1.25 to \$2.5 million to private developer for build-to-suit free standing retail outlets in various states.
- \$169 million restructure of revolving credit facility to publicly traded hotel company.
- \$115 million restructure of term and revolving credit facilities to a large regional homebuilder.
- \$200 million term loan and \$50 million revolver to a new GSA property REIT contemporaneous with its IPO.
- \$175 million restructuring with senior and mezzanine credit facilities for a large regional homebuilder.
