When routine or complicated tax problems arise, Jody Joyner is committed to making sure his corporate clients understand the options and potential consequences revolving around tax matters.

- He represents equity investors and lessees in a variety of leveraged and single investor lease financings involving aircraft, railcars and other equipment, as well as energy and other project financings.
- He provides tax and corporate law advice and counsel for closely-held businesses and tax-exempt organizations.
- He represents taxpayers in federal, state and local tax controversies.

Mr. Joyner has lectured and written on a variety of tax matters.
