Christian Buhrer practices in the area of corporate taxation. He primarily focuses on assisting corporate clients with mergers and acquisitions, federal, international and state tax planning, sales and use tax, property tax and state tax incentive consulting. Mr. Buhrer's experience includes representing taxpayers in audit, settlement, protest and/or appeal with state tax agencies, advising clients with respect to restructurings, state and local taxation of corporations, partnerships and limited liability companies, as well as advising clients on state and local tax compliance issues.

Prior to joining Moore & Van Allen, Mr. Buhrer worked for a national accounting firm focusing on state and local tax matters for national and multi-national clients.
