Randy Fletcher counsels companies and their principals regarding financing entity planning, tax advice and mergers and acquisitions. Experienced in all aspects of business transactions, his practice involves:

- Commercial real estate transactions, including financings, acquisitions, dispositions, like-kind exchanges, and commercial leases
- Formation, structuring, selling, acquiring and taxation of business entities
- Mergers and acquisitions, including negotiating, structure, tax aspects and documenting such transactions
- Raising capital through debt, private placements or venture capital sources
- Negotiation and documentation of aircraft sales and acquisitions
- Representing start-up companies and general corporation representation

Mr. Fletcher leads the business practice group in the Research Triangle office, and is in charge of Recruiting for the Research Triangle office.
