

DIVERSITY

At Moore & Van Allen we recognize that having people with different racial, ethnic and religious backgrounds, countries and regions of origin, genders, generations, physical abilities and sexual orientations is critical to our ability to provide the highest level of legal services. By fostering an inclusive work environment we come together as one extraordinary team with the common purpose of providing truly outstanding legal services to our clients. Our commitment to diversity goes beyond our firm to the communities we serve through extensive outreach initiatives. These core principles are embraced by the firm's leadership. Our managing member serves on the firm's Diversity Committee.
