MURRAY APPOINTED TO 26TH DISTRICT GRIEVANCE COMMITTEE

Jonathan Murray was recently appointed to a three year term on the 26th Judicial District Grievance Committee for the North Carolina Bar.

The Judicial District Grievance Committee is a sub-committee for the NC Bar's Grievance Committee. This committee includes lawyer-volunteers from across the state and some non-lawyers. The committee members' job is to review various complaints, the lawyer's response, and the results of the investigation in an effort to decide if there is enough evidence to prove that the lawyer did something unethical.
