Alyson Spurlock devotes her financial services practice principally to the representation of banks and commercial finance companies in transactional matters. Her practice focuses on finance – in particular, asset-based financing, acquisition financing and working capital financing.

She has considerable experience in the negotiation and documentation of secured and unsecured credit facilities involving term and revolving loans for acquisition and working capital purposes with both domestic and foreign borrowers.

Representative recent transactions for Ms. Spurlock include the following:

- Representation of lead arranger and agent bank in \$1.3 billion secured working capital credit facility for large lumber retailer
- Representation of lead arranger and agent bank in \$825 million credit facility financing for the acquisition of an aerospace and defense company
- Representation of lead arranger and agent bank in \$400 million multicurrency secured working capital credit facility for large health care manufacturer
- Representation of lead arranger and agent bank in \$395 million secured working capital credit facility for a Dutch and domestic borrower
- Representation of lead arranger and agent bank in \$250 million unsecured working capital facility for textile services corporation
- Representation of lead arranger and agent bank in \$200 million secured working capital term loan for an automotive retailer
