Moore & Van Allen was thrilled to once again participate in the Legal Feeding Frenzy - an annual food and fund drive hosted by the NCBA Young Lawyers Division and Feeding the Carolinas food banks. Under the direction of MVA Frenzy Chair and Litigation Associate Kaitlin Price our employees generously contributed over \$43,000 which equates to 301,000 pounds of food in support of our long-standing community partner the Second Harvest Food Bank of Metrolina. We are grateful to work alongside team members who share a deep commitment to serving those in need.
