## Carrano Quoted in Immigration Reform Piece

*Yahoo News*  
10.2013

Charlotte Immigration Associate Amanda Carrano was quoted in a Yahoo News story on October 3. The piece, "Can immigration reform survive the shutdown?," points out that plans for reform have been bumped from the spotlight in lieu of news with Syria, the government shutdown and the debt ceiling.

"It's taking immigration reform out of the spotlight... It just seems like nothing's going to happen," Carrano stated.
