Moore & Van Allen PLLC is pleased to announce that its external website, www.mvalaw.com, has been redesigned and was unveiled this month.

The redesigned site features streamlined navigation, enhanced search functionality, social media tools, infographics, and direct access to industry knowledge and updates, such as the Firm's blogs and client alerts. A video that highlights each of these components can be seen [here](#).

Moore & Van Allen's website is powered by Firmseek, Inc., and initially launched in 1998. The site has undergone five redesigns in the past 16 years - the latest redesign marks the sixth. The Firm engaged One North Interactive to execute the new design.
