Horne Participates in ABA Webinar

Speaking Engagements

03.2018

Charlotte Wealth Transfer Associate Caitlin Horne participated in an American Bankruptcy Association Real Property Trust and Estate Law Section Webinar on March 27. With the 2017 Tax Act creating a drastic reduction in corporate tax rates, a new deduction for pass-through businesses and changes to deductions due, many clients are re-thinking the legal structure in which they do business. Horne and other panelists examined the key provisions of the new tax law and their practical effects on choice of business entity.
