Moore & Van Allen's Management Committee is pleased to announce that Charlotte Litigation Member Ed O'Keefe and Finance Member Kimberly Zirkle have been named Co-Chairs of the firm's Public Service Committee. Ed and Kimberly have demonstrated an extraordinary level of commitment to both pro bono and public service practices throughout their respective careers - a commitment that will serve them both well as they lead the firm's volunteer efforts going forward. The firm congratulates both of them as we continue to support the great work of the MVA Public Service Committee and its members. MVA's Public Service Committee, established in 2001, leads the firm's public service and pro bono efforts by identifying, coordinating, and facilitating opportunities for MVA attorneys and staff.
