## O'Keefe published by LegalTech News

02.2016

Charlotte Litigation Member Ed O'Keefe was quoted in the February print issue of Tech Digest for LegalTech News. O'Keefe's commentary titled, "Good Risk Management Means a Good Crystal Ball," discusses how recent major cybersecurity breaches highlight the need for companies to not only enhance their cybersecurity to defend against an attack, but also to plan for the legal fallout from an intrusion. Through both the courts and regulatory action, companies face monetary and reputational losses from a cyber-breach.
