## O'Keefe and Staten published in *The Clearing House*

Publications  
03.2017

Charlotte Litigation Member Ed O'Keefe and Associates Malaika Staten recently co-authored an article in *The Clearing House*. In an era of increased oversight, regulatory agencies have taken a greater interest in standardizing the conduct of financial institutions. The article, "Navigating the Complexities of CSI" discusses how increased awareness and reform will help regulatory agencies ensure that confidential supervisory information (CSI) is understood and protected.
