Senior Counsel Taylor Published in Bloomberg

02.2012

Senior Commercial and Technology Transactions counsel Todd Taylor authored an article that was published on January 18 on the Bloomberg Services website, as the lead article in the January 23 issue of *Bloomberg Law Reports -Antitrust & Trade Law*, and in the January 23 issue of *Bloomberg Law Reports -Technology Law*.

Taylor's article, "Proposed Global Online Freedom Act Could Impact Supply Chains, Outsourcing Efforts and Foreign Operations of U.S. and Multinational Companies," addresses the need for, reach and practical impact of "The Global Online Freedom Act of 2011" (GOFA), which was introduced on December 8, 2011, by New Jersey Congressman Chris Smith. The complete article can be found [here](#).
