05.2014

North Carolina Lawyers Weekly published a Q&A piece with Charlotte Corporate Member Scott Syfert and reporter Laurie Landsittel on May 26. The piece, "Attorney's book wrapped in a bit of local lore" focused on Syfert's history passion and his new book *The First American Declaration of Independence? The Disputed History of the Mecklenburg Declaration of May 20, 1775*, which published earlier this year.

"If you don't remember the past, you have no ability to influence the future. It's the history that's all around us," Syfert said.

Syfert has been recognized by a number of media outlets, including *The Charlotte Observer*, *Charlotte Business Journal*, and on WFAE's "Charlotte Talks" show, in regard to his book and May 20th Society leadership.
