### *On The Floor*

This week, the House and Senate voted on final passage of S 786, the Energy Modernization Act. The final bill was modified in the House and will allow the state to issue drilling permits 60 days after the rules development by the Mining and Energy Commission are approved. The bill has been sent to the Governor for his signature. The House and Senate also passed an omnibus tax bill. The Governor signed this bill into law on Thursday.

Additionally, the Senate passed S 734, the Regulatory Reform Act of 2014. This bill seeks to remove outdated or burdensome regulations. It has been sent to the House for consideration.

The Senate is bringing its version of the budget to the floor later this afternoon for consideration, and the final vote on the budget will take place likely after midnight.

### *Committee Reports*

#### **Senate Finance Committee**

The Committee met on Tuesday, May 27, and Thursday, May 29. On Tuesday, the Committee gave approval to H 1050, Omnibus Tax Law Changes. The bill is a recommendation of the Revenue Laws Study Committee and passed the House last week. The largest difference between the version approved by the Committee and the one that passed the House dealt with local privilege taxes. The bill continued its rapid movement through the General Assembly. It has now passed the full Senate, been agreed to by the House, and presented to the Governor for action.

On Thursday, the Committee heard H 230, Clarify Read to Achieve/Sch. Perform. Grades, and S 744, Appropriations Act of 2014. H 230 was in the Committee due to a provision imposing a fee for certain reading camps. Discussion of the bill was limited to the finance impacts. S 744 was in the Committee due to several minor tax law changes, a handful of fees, and some changes with respect to debt financing. Both bills easily passed the Committee.

**Senate Education/Higher Education Committee**

The Committee met on Wednesday, May 28 to hear H 230, Clarify Read to Achieve/School Performance Grades. H 230 gives school districts more flexibility in implementing the state's Read to Achieve program. H 230 received a favorable report in Committee and was approved 44-1 on the Senate Floor. The bill now goes to the House for consideration.

**Senate Appropriations/Base Budget Committee**

The Committee met Thursday, May 29, to take up S 744, the Appropriations Act of 2014. The Senate Appropriations Committee Co-Chairs and Sub-Committee Chairs reviewed the provisions included in the Senate budget for other members of the Senate Appropriations Committee and the public. The Committee passed the bill and it was sent to the Senate Finance Committee.

**House Public Utilities Committee**

The Committee met on Tuesday, May 27. The committee took up S 786, the Energy Modernization Act. During the committee meeting, Rep. Stone offered an amendment that was adopted which removed the July 1, 2015 start date to allow permits to be issued. The amendment authorizes the issuance of permits 60 days after the state finalizes rules for onshore natural gas development. The Committee passed the measure and it was referred to the House Finance Committee.

**House Education Committee**

The Committee met on Tuesday, May 27, to address three bills. H 1060, Military Student Identifier, requires the State Board of Education to identify military-connected students using the Uniform Education Reporting System. H 1060 received a favorable report in Committee and was approved 118-0 on the House Floor. H 1146, Set Date for Community College Election, sets June 17, 2014, as the date for the House of Representatives to elect a member to fill an unexpired term on the State Board of Community Colleges. H 1146 received a favorable report in Committee and was approved unanimously on the House floor. H 1040, Improve Admin Program Monitoring at DPI, was brought up for discussion purposes only. H 1040 seeks to improve the Department of Public Instructions monitoring of certain administrative programs.

**House Judiciary Subcommittee B**

The Subcommittee met on Tuesday, May 27, to address two bills. H 1032 Patent Abuse Bill, aims to prevent patent abuse in North Carolina by establishing civil penalties for unfair assertions of patent infringement. H 1032 received a favorable report in Committee and was placed on the House calendar for June 3. H 1027, DWI Interlock Violation/DMV Hearing Site, allows hearings on a license revocation as a result of ignition interlock violation to be held in the licensee's county of residence. H 1027 received a favorable report in Committee and was approved 115-1 on the House floor.
