South Carolina Legislative Report - April 26, 2013

April 26, 2013

On the Floor

Utility Theft

This week the House of Representatives concurred with Senate amendments on H. 3568. The legislation will be sent to the Governor for approval once ratified. The bill proposes to enhance the penalties for altering, tampering with or bypassing electric, and gas or water meters.

Electronic Waste Recycling

H. 3847 was approved by the House this week and sent to the Senate for consideration. The legislation revises the current electronic waste provisions by creating manufacturer driven solutions for the collection and recycling of covered electronic devices.

Pollution Control Act

H. 3925, Pollution Control Act revisions, was moved to the contested calendar in the House of Representatives this week. Specifically, the bill clarifies the parties that may petition regarding a violation of the Act and the applicability of the savings clause of Act 198 of 2012 to cases filed before June 6, 2012.

Abandoned Buildings Revitalization Act

This week the House passed H. 3093, the Abandoned Buildings Revitalization Act. The legislation proposes tax credits to developers who renovate building that have been abandoned for at least 5 years.

High Growth Small Business Access to Capital Act of 2013

The House of Representative passed H. 3505 this week and sent it to the senate for consideration. The legislation would provide for nonrefundable income tax credits to certain investments primarily engaged in manufacturing, warehousing, wholesaling, software development, IT services, research and development and other qualified service.

In Committee

Medicaid Nursing Home Permits

The House Ways & Means Committee gave a favorable report to H. 3978 as amended this week. The legislation amends the definition of a "Medicaid Permit Day," specifies how additional permit days may be allotted and sets compliance standards and penalties for violations. The bill will be up for debate on the House floor next week.

Department of Administration

The House Judiciary Committee gave a favorable report, as amended to, S. 22 this week. The government-restructuring bill would create a Department of Administration and effectively eliminate the Budget & Control Board. The bill will also create a State Fiscal Accountability Authority made up of the Governor, Comptroller General, Treasurer, Ways and Means Chairman, and Senate Finance Chairman. Deficit Recognition will now be handled by the General Assembly, when in session, and a new Legislative Services Agency will now be responsible for all fiscal and revenue impact statements.

Appropriations

The Senate Finance Committee heard from the Office of State Budget and the Department of Mental Health this week. The committee will continue next week, taking testimony from Health and Human Services Director, Tony Keck. Senate Finance Committee will begin their budget deliberations next week.
