

JACK HOLMAN

Patent Engineer, Intellectual Property

t 704.331.3687

jackholman@mvalaw.com

An experienced mechanical engineer and a patent agent in training, Jack Holman provides intellectual property and patent protection services for clients in a wide variety of industries.

Jack regularly assists clients with obtaining patent rights in the U.S. and foreign countries and provides opinions regarding patentability, freedom-to-operate, and non-infringement.

Jack's industry experience as an engineer provides him with valuable knowledge in assisting clients with obtaining protection for their new, innovative, and emerging technologies. Jack is currently studying to become a U.S. Patent and Trademark Office registered patent agent.
