The Moore & Van Allen website has been awarded a 2021 Vega Digital Award under the Website Design & Development- Law & Legal Services category. Designed and built by Firmseek, the new website was launched in early 2021. Vega stated that MVA *"serves as lead counsel to some of the most interesting and innovative companies in the country. . . The firm has a client service philosophy that has resulted in solid, long-term relationships with clients. The site is designed to highlight its work and approach to client representation. . . The site is packed with client development features and calls to action, including blogs, integrated newsletters, and automated print materials. The messaging and the tools are complimented by minimalist, yet compelling design -- including large-scale portraits."*

The Vega Digital Awards evaluate websites based on inventiveness, navigation and ease-of- use, functionality and visual appeal. Please [click here](#) to view the Vega Digital Award MVA listing.
