Moore & Van Allen (MVA) has again been ranked as a top legal adviser on syndicated loans. The firm's Finance team ranked in the top tier of Refinitiv Loan Pricing Corporation's (LPC) first half of 2021 U.S. Law Firm League Tables for representing Lead Arrangers on syndicated loan transactions. For the first half of this year, MVA has advised on 84 syndicated loan transactions, which generated over \$52 billion in aggregate gross proceeds and earned the firm a fourth place position on the league table for all syndicated loans based on number of deals. As further evidence of MVA's ongoing distinction in the secured/leveraged lending market, MVA advised on 35 syndicated leveraged loan transactions, which generated more than \$11 billion in aggregate gross proceeds.

Refinitiv LPC League Tables rank market leaders by volume and by number of deals. They are the world's benchmark source for league tables on the loan market. Refinitiv LPC is considered to be the premier global provider of news, data and analysis on the syndicated loan market.
