MVA attorneys serve as panelist for ACC 2021 Privacy & Data Security Update

Speaking Engagements
09.2021

Moore & Van Allen (MVA) Co-head of Data Privacy Karin McGinnis, Litigation Senior Counsel Tandy Mathis, and Litigation Associate Bill Butler served as panelist for the ACC 2021 Privacy & Data Security Update which took place on September 14. Bill, Tandy and Karin provided insight on topics such as What Happened in Privacy During the Pandemic, State Law Data Breach Updates, State Data Security Laws, Comprehensive State Data Privacy Laws, Customer Rights, and Controller Obligations. The group also provided US Supreme Court updates related to Computer Fraud and Abuse Act, and a TCPA Update. They also provided updates on the topics of GDPR, and Artificial intelligence.
