Sarah Byrne shares insights during Ending Human Trafficking Podcast

Speaking Engagements
10.2021

Moore & Van Allen (MVA) Senior Counsel Sarah Byrne shared her insights during the recent Ending Human Trafficking Podcast episode 261: Legal Advocacy with Sarah Byrne. Hosted by Dr. Sandie Morgan, Sarah discussed the need for trauma-informed legal services for survivors of human trafficking and their complex legal needs.

The Ending Human Trafficking Podcast is a biweekly podcast will challenge you to study the issues related to human trafficking, become an educated voice in understanding this global problem, and ultimately make a difference in helping bring it to an end. Sandra Morgan, Director of the Global Center for Women and Justice at Vanguard University of Southern California and Dave Stachowiak, Board Member of the Center, explore issues in each episode that will help educate you to be a helpful voice in ending human trafficking.
