Moore & Van Allen (MVA) Financial Regulatory Advice & Response Senior Counsel Sarah Byrne served as the co-keynote speaker for the recent Ensure Justice conference which was hosted by the Global Center for Women and Justice in Costa Mesa, California. Ensure Justice, an annual two-day conference hosted at Vanguard University, brings judges, lawyers, law enforcement, social services, health/medical professionals, teachers, students, parents, and more, together to learn and engage with subject matter experts on anti-human trafficking prevention, protection, prosecution, partnership, and policy efforts around the nation and the world.

The theme of this year's conference was "How Are Our Children?" and focused on building wellness, support, and resilience for our youth and community as we navigate the changes in anti-trafficking efforts post-pandemic.
