Sarah Byrne profiled in Vital4 recent newsletter

Media
12.2022

Moore & Van Allen (MVA) Senior Counsel Sarah Byrne was profiled for her work at the intersection of financial institution regulation and the fight against human trafficking in the Tech For Good section of Vital4's December newsletter. Vital4 is a leader in providing global data for corporate risk and compliance. Their technology solutions protect against financial crimes, terrorism, bribery, and corruption. Vital4's principle of using technology for good is demonstrated by their help in fighting human trafficking and crimes against humanity.
