Moore & Van Allen (MVA) Litigation Associate Sarah Sheridan was selected to Leadership Charlotte's 45th class. The Leadership Charlotte program, considered a "backstage" pass to the Charlotte community, was established for emerging and existing leaders. It is a two-part program, starting with ten, once-a-month program days where approximately 50 participants explore current issues with a variety of community leaders. Participants graduate after serving on a committee that coordinates one of these program days for the incoming class.
