Benchmark Litigation identifies the leading U.S. trial attorneys and firms at the local and national levels. Focused exclusively on the U.S. litigation market, the publication's rankings and editorials are the result of extensive interviews with private practice lawyers and in-house counsel. Supplementary firm information is also submitted in the form of a questionnaire. The guide's "local litigation stars" reflect lawyers who are recommended by peers and clients to have established consistent reputations as trial attorneys. *Benchmark's* independent research is conducted annually between February and June.
