Moore & Van Allen was ranked on the 2014 Real Estate *Law360* 100, a table that showcases the 100 U.S.-based law firms with the most real estate partners globally. MVA is listed at 72 with 26 partners.

Rankings are based on partner head count data from 300 U.S.-based law firms, including 198 of the largest 200 firms in the country. Data is as of July 1, 2014. Partners counted for a practice group in the rankings had to spend at least 75 percent of their time on matters related to that practice. For partners who split their time between two different practice groups, firms were allowed to count those partners as '0.5' in each of the two practices.
