05.2014

Charlotte Corporate Member and May 20th Society co-founder Scott Syfert has earned additional media attention for his May 20th Society leadership and publication of his nonfiction book *The First American Declaration of Independence? The Disputed History of the Mecklenburg Declaration of May 20, 1775*. Syfert was featured discussing his book, Charlotte's history and The "MeckDec" on the May 20 airing of the WFAE 90.7 show "Charlotte Talks" with veteran broadcaster Mike Collins. The segment can be heard here.

This was not Syfert's first time on the show— Syfert was also featured on "Charlotte Talks" in August 2013. The show is considered to be the region's exclusive forum for discussion of politics, growth, arts, culture, social issues and more.
