Corporate Member Scott Syfert was recently interviewed by retired lawyer, politician and university administrator D.G. Martin, for Martin's UNC-TV show "North Carolina Bookwatch." The episode, which focuses on Syfert's nonfiction book "The First American Declaration of Independence?" is slated to air this coming spring.

"NC Bookwatch" is a literary series produced to highlight "the Tar Heel State's best and brightest Southern writers." In every interview, Martin sheds light on authors' lives, books and the state's indelible imprint on their works.
