Vervais and McDowell Featured in American Banker

Media
09.2012

Litigation Senior Associate Mindy Vervais and Member Valecia McDowell have co-authored an article for *American Banker* entitled "Work with Your State Attorney General to Avoid Enforcement Actions." The piece highlights why state attorneys general should not be ignored in favor of the CFPB and offers practical approaches for financial institutions to consider when working with their attorney general's office. To read the article in its entirety, please [click here](#).
