Corporate and Global Services member Mike Zeller is one of four contributing authors in the book *Structuring International M&A Deals: Leading Lawyers on Managing Mergers & Acquisitions in a Global Environment*.

Structuring International M&A Deals was published in the spring of 2012, and is one title in Aspatore Books' *Inside the Minds* series. Zeller's chapter, which can be viewed in its entirety here, is entitled "Cautions and Considerations in International Mergers and Acquisitions."

Aspatore Books is a Thomson Reuters business that publishes C-Level executives and partners from the world's most respected companies and law firms. According to Aspatore, *Structuring International M&A Deals* provides perspective on the key considerations for mergers and acquisitions involving companies outside the United States. "Partners from some of the nation's leading law firms guide readers through the risks and rewards associated with doing business in countries around the world. These top lawyers reveal their advice on complying with local regulations, evaluating tax situations, and communicating clearly across language and cultural barriers."
