Sonic Automotive Announces Plans to Open Newest Office Operations in Gaston County

12.2018

Moore & Van Allen is pleased to announce its role partnering with The Gaston County Economic Development Commission during the office operations for Sonic Automotive. The Gaston Economic Development Commission announced December 13 that Sonic Automotive, Inc. has chosen to locate its newest office operations in Lowell. Located at 109 Kenworthy Avenue in Lowell, the facility will house marketing and advanced customer care operations for Sonic Automotive, Inc. Approximately 500 jobs will be created within a five-year period with an investment of \$11.2 million.

Sonic Automotive, Inc., a Fortune 500 company and member of the Russell 2000 Index, is among the largest automotive retailers in the United States. Sonic Automotive's Lowell operation will provide support of sales operations of the Sonic Automotive family. Sonic's dealerships provide comprehensive services, including sales of both new and used vehicles, vehicle service and the ability for customers to sell used vehicles to Sonic and EchoPark Automotive stores.
